

SANI-SCRUB®

3-in-1 Surface Cleanser

16 FL. OZ. (500 ml)

SANI SCRUB® removes buildup of hard water minerals, rust, dirt, grime & stains without scratching or dulling the surface of glass, porcelain, ceramics, stainless steel, chrome, laminates, marble & granite. It simultaneously shields surfaces against the adhesion & buildup of organic & inorganic soil for easier next-time cleaning with Sani-Shield® and other spray cleaners.

It also provides an invisible “antimicrobial” and stain-resistant barrier coating on which odor-causing bacteria, mold and mildew will not grow in-between regular cleaning.

DIRECTIONS FOR USE:

(1) Apply SANI-SCRUB to damp cloth, sponge or non-scratch scrubber and gently massage soiled surface with overlapping motion until soil softens. (2) Thoroughly rinse surface with water until residue-free. Dry with cloth or paper towel.

WARNING

EYE IRRITANT: Avoid eye contact. If contacted, flush with water for 15 minutes. See physician if irritation develops. **KEEP OUT OF REACH OF CHILDREN.**

PROPERTIES

- Active Ingredients: Aluminum Oxide, Soap & Organosilane Quaternaries
- Flash Point: None (water-based)
- Odor: Pleasant Fragrance
- Color: White
- pH: 3.0
- Viscosity: Cream
- Abrasives: Non-scratching
- Solubility: Slurry with water
- Storage Stability: Minimum 2 years
- Weight per Gallon: 8.85 lbs.
- Freeze/Thaw Stability: Good
- Packaged: 16 fl. Oz. RTU Cream

FEATURES

- Cream cleanser removes mineral deposits from hard water, dirt, grime, and stains.
- Creates an invisible, stain-repelling barrier with microbiostatic properties.
- Helps prevent re-soiling for a brighter look and easier cleaning.
