SANI-SHIELD® CONCENTRATE

CLEANER, DEODORIZER + COATING

1 U.S. Gallon (128 fl. oz.)

SANI SHIELD® is a patented Cleaner, Deodorizer, and Coating in One. It cleans with the power of Hydrogen Peroxide and prevents resoiling, staining, and deterioration on a multitude of surfaces. It imparts microbe-resistant properties that inhibit the growth of odor-causing bacteria, mold, and mildew on the coating. Sani-Shield enhances disinfection processes and can be mechanically wiped, misted, or fogged. It can be used in conjunction with disinfectants as a pre-clean/microbe-resistant coating treatment—or as a residual barrier after disinfecting. The barrier is ONLY affected by abrasion, such as heavy rubbing, scratching, etc., over time. ATP/Luminometer readings have validated a cleaner surface over time with Sani-Shield compared to only disinfecting. Sani-Shield improves surface hygiene and appearance while making cleaning & maintenance faster & easier. Sani-Shield can be used on all glass, porcelain, ceramics, stainless steel, chrome, laminates, plastics & marble, granite and more. It cleans everyday food residue, grime, soap scum, grease, oil, and other organic soil on tables, appliances, toilets, mirrors, showers, sinks, tubs & more.

Sani-Shield is formulated for fast & effective results. This product is a treated article subject to 40 CFR 152.25 (a). When used as directed, it is non-toxic and compliant with the Federal Hazardous Substances Act and the Consumer Product Safety Commission 16 CFR 1500 Guidelines.

WARNING

Avoid eye contact. If contacted, flush with water for 15 minutes. If See physician if irritation develops. Contains Hydrogen Peroxide. Keep out of reach of children.

PROPERTIES

- Active Ingredients: Hydrogen Peroxide & Organosilane Quaternaries
- Flash Point: None (water-based)
- Odor: Pleasant Fragrance
- Color: Clear
- pH: 3.0 – 5.0
- Viscosity: Consistency of water
- Abrasives: None
- Solubility: Complete with potable water
- Storage Stability: Minimum 2 years
- Weight per Gallon: 8.35 lbs.
- Freeze/Thaw Stability: Good
- Packaged: 32 fl. oz. RTU spray, 1 gal. refill, 5 gal., 55 gal.

SANI-SHIELD CONCENTRATE DILUTION RATES

Strength	Conc./Parts Water		Measure	Usage
RTU #5	1	4	Add 32oz./Gallon	Exterior & Spray Applications Laundry, Barrier Coating & Periodic Floor Use, Mold Remediation.
RTU #10	1	9	Add 14oz./Gallon	Initial & Intermittent Hard Surface Cleaning, Barrier Coating, Routine Floor and Bucket Use.
RTU #25	1	24	Add 6oz./Gallon	Daily or Regular Hard Surface Cleaning. Light Mopping and Bucket Use
RTU #35	1	34	Add 4oz./Gallon	Glass, Mirror & Light Duty Cleaning.

DO NOT USE FULL STRENGTH

Dilution Rates may vary slightly due to type of dispensing unit, flow-rate & water pressure
